

Bow Valley Waste
MANAGEMENT COMMISSION

Users of the Francis Cooke facility must follow all safety rules while onsite.

- Follow all posted speed limits (15km/h) within the landfill site.
- Keep children and pets in the vehicle at all times.
- Remain a minimum of 3m (10ft) away from all moving equipment. Always look and make eye contact before moving.
- Remain off your cell phone and not be distracted while driving. All Alberta Traffic Safety rules apply here.
- Be aware of wind conditions. Small or lightweight items may become airborne at any time. All loose litter must be bagged.
- Wear proper footwear. No sandals or high heels allowed onsite. There are safety glasses and gloves available at the scale.
- There is no salvaging allowed at the landfill.
- Customers are not allowed to smoke onsite.
- No drugs or alcohol allowed onsite. If a contractor/visitor is impaired and/or is endangering our employees or the public they will be asked to leave.
- If you are injured or have an emergency, please report it to the nearest staff member immediately. You can obtain first aid at the scale (403-673-2708).
- If you notice a fire, please report it to the nearest staff member immediately. The muster point is at the weather station by the staff parking area. If the emergency is close to the scale the muster point is at the main gate/side road area. Look for the muster point sign.
- Theft, vandalism or any other abuse of BVWMC property is prohibited.

If you have any questions or concerns please ask at the scale or speak to a Supervisor.
